

# Lazy Town, Gizmo Guy

In my cyber space  
I'm feelin' happy  
Cuz everything's in place  
Here on my floppy  
It's true I cant deny  
I'm just a gizmo guy  
Give me a CD  
A giga DVD  
I love technology  
I like to play  
On my power PC  
A mouse click away  
And life can be so easy  
I feel so bright  
With maximillion megabytes  
I like to play  
On my power PC  
A mouce click away  
And life can be so easy  
I feel so bright  
With maximillion megabytes
