

Lazy Town, New Games Everyday

Come play a new game
A game full of surprises
It's never the same
And we get to decide it
Take something we know
And make something exciting
First you twist it all around
Next you flip it upside down
Even turn it inside out
Then start to play
Slam dunk a balloon
Send a ball to the moon
We'll make it up as we play
And we can climb up in a tree
Pretend we're out on the sea
We'll have new games everyday
Here's all that we need
A big imagination
Soon you'll see it will lead
To cool new combinations
If you've got nothing to do
Jump just like a kangaroo
You've made up a brand new game
Now start to play
It will come into view
Try to aim for a strike
Do whatever we like
We'll make it up as we play
And we can climb up in a tree
Pretend were out on the sea
We'll have new games everyday
We'll have new games everyday
