

Lazy Town, Playtime

Night time, day time
Anytime's the right time
Play time, play time
Night time, day time
Anytime's the right time
Play time, play time
You can play, run and jump
You can thump, you can thump
Even double bump
You can play kick the can
Turn around, jumpjacks
Slamajam
When you're feeling down and blue
You know what you need to do
Everybody needs a little time
To play around
Have to heat it up
And burn it up
Cool it down
Gotta get your body in the groove
Break it down
Everybody needs a little time
And now it's time to play
Run and slide
Seek and hide
Try to score a goal with all your might
Slice the ice
Block a shot
Simon says stop but you gotta rock
Break it down ya!
C'mon!
One more time!
Rock it!
Everybody needs a little time
To play around
Have to heat it up
And burn it up
Cool it down
Gotta get your body in the groove
Break it down
Everybody needs a little time
And now it's time to play
Play time, play time
