

Lazy Town, Spooky Song

Sometimes things are really hairy
Sneaking up when you are weary
Big old eyes all red and glary
Creatures in the dark are scary
Shh!

Beneath the bed the ghosts are ooky
Skeletons' bones are cooky
Your teddy bear's name is Pooky
Late at night he is, spooky
Boo!

Dippidee dee it's only me
Boopidy boo I scared you
Flick on the light
There's nothing there
Everything vanished in the air
Dippidee dee it's only me
Boopidy boo I scared you
Flick on the light

There's nothing there
Everything vanished in the air
Close your eyes when you are sleepin'
Centepedes and spider creep in
Shadows on the wall come seekin'
In the dark you are, freakin'

Dippidee dee it's only me
Boopidy boo I scared you
Flick on the light
There's nothing there
Everything vanished in the air
Close your eyes
Rest your head
Time to go to

Boo!
Dippidee dee it's only me
Boopidy boo I scared you
Flick on the light
There's nothing there
Everything vanished in the air
Dippidee dee it's only me
Boopity boo I scared you
Flick on the light

There's nothing there
Everything vanished in the air
Flick on the light
There's nothing there
Everything vanished in the air
Boo!
