

Lazy Town, Techno Generation

This is what I know
We're really on the go
Cause in a modern town
You go with the cyber flow
Come on automation
Come on automation
Techno generation
Techno generation
Play at the speed of light
You're riding on a gigabyte
This is a modern town
Finally the future is bright
Come on automation
Come on automation
Techno generation
Techno generation
Pizza! Techno pizza!
Come on automation
Come on automation
Techno generation
Techno generation
Come on automation
Come on automation
Techno generation
Techno generation
