Lazy Town, The Greatest Genie

I'm the greatest genie
In all eternity
I can make your nose grow big
Or turn into a tree
Tell me all your wishes
I make dreams come true
I want a car, I want a cake
And some gold, and a plate!
I wanna-
Shh!
I'll only give you three so
Come on follow me
Ba ba ba da ba ba, ba da da da ba ba da ba
I'm the greatest genie, and I am here for you!
Ba ba ba da ba ba, ba da da da ba ba da ba
If you have big dreams, I'll make them all come true
Do you smell the flowers?
Can you feel the sun?
I don't care!
Just help me to ruin all their fun
I am the great genie of everlasting eternity
Your dreams will come true
Ba ba ba da ba ba, ba da da da ba ba da ba
I'm the greatest genie, and I am here for you!
Ba ba ba da ba ba, ba da da da ba ba da ba
Forget all that! Just do your thing so I can rule in LazyTown!
Rule in LazyTown!
