

Lazy Town, Time To Play

Time to play
Let your body move
Let's shoot some hoops
You're rockin' steady
Stand up straight
Focus on the goal
You're on a roll
And now you're ready to play
It's time to bring your game
Time to take your aim
And make it all the way
If you always give a little more
Shoot and score
And don't stop trying
Then you'll be the best that you can be
I guarantee
That you'll be flying high!
Don't stop now
You know what to do
It's up to you
'Cause now you're going to play
You're really in the zone
It's time to start the show
And take it all the way
If you always give a little more
Shoot and score
And don't stop trying
Then you'll be the best that you can be
I guarantee
That you'll be flying high!
High!
