

# Lazy Town, When We Play In A Band

You're ready to go  
It's the start of the show  
But you need a rockin' bass  
So hit the lights  
You're playin tonight  
Guitars all over the place  
Everything comes together  
When we jam  
When we play in a band  
It's all about the melody  
So come on get up and dance  
Sing with us in harmony  
And we go uh uh oh uh uh oh ohhh  
I love disco!  
(Ooh ooh cheet cheet, ooh ooh cheet cheet  
Melody, harmony)  
Mix it Trixie!  
You're ready to go  
It's the start of the show  
So hit the lights  
You're playin tonight  
Hit it Stingy!  
That's not rock and roll!  
..Sorry!  
When we play in a band  
It's all about the melody  
So come on get up and dance  
Sing with us in harmony  
And we go uh uh oh c'mon everybody!  
So come on get up and dance  
Sing with us in harmony  
And we go uh uh oh uh uh oh ohhh!
