# LCD Soundsystem, Drunk Girls

(Drunk girls)
Drunk girls cause a couple of heart attacks
(Drunk girls)
Drunk girls are unusually mild
(Drunk boys)
Drunk boys keep in pace with the pedophiles
(Drunk girls)
Drunk girls are boringly wild

(Drunk girls)
Drunk girls get invitations from nations
(Drunk girls)
They got the patience of a million saints
(Drunk boys)
They steal, they steal from the cupboards
(Drunk girls)
Drunk girls like to file complaints

(Drunk girls)
Drunk girls are like a night of simplicity
(Drunk girls)
They need a lover who is smarter than me
(Drunk boys)
Drunk boys, we walk like pedestrians
(Drunk girls)
Drunk girls wait an hour to pee

(Drunk girls)
Drunk girls know that love is an astronaut
(Drunk girls)
It comes back, but it's never the same
(Drunk boys)
Drunk boys, drunk boys, drunk boys, drunk boys
(Drunk girls)
Drunk girls can be just as insane
I believe in waking up together
So oh oh
That means making eyes across the room

(Drunk girls)
Just 'cause I'm shallow doesn't mean that I'm heartless
(Drunk girls)
Just 'cause I'm heartless doesn't mean that I'm mean
(Drunk boys)
Sometimes love gives us too many options
(Drunk girls)
Just 'cause you're hungry doesn't mean that you're lean

(Drunk girls)
I've heard lies that could curdle your heartstrings
(Drunk girls)
A couple truths, maybe burn out your eyes
(Drunk boys)
Drunk boys leave their irons in the fireplace
(Drunk girls)
'Cause drunk girls give them too many tries
Drunk girls, drunk girls, drunk girls, drunk girls...

Oh oh oh
I believe in waking up together
Oh oh oh
I believe I'm waking up, but no promises
Oh oh oh
I believe in waiting out the weather

Oh oh oh
I believe in making up

The day becomes the night (x4)
Honestly, honestly, honestly
Unless it hurts, why do it?
Hey, hey, hey, hey!
