

# Le Tigre, After Dark (A Touch Of Class Remix)

I got your name and number  
You seem kinda surprised  
Maybe it's 'cause I can be  
You know like cold as ice

In crowded situations  
I always want to go  
And if I see you leaving  
I'll beat you to the door

I'm gonna tell you something  
You're better than fake-wild  
I see the future in it  
They try and kill your style

Your manners and your motives  
I've seen the way it goes  
So memorize my number  
That's why I got a phone

Call me after dark  
Call me  
Call me after dark

I can make the sun rise daily  
Right up from your landscape painting  
I will be in the front row later  
When your brush becomes a mic

Maybe we could change this game forever  
Shapes our breath make in cold weather  
They might say we're both crazy  
I'm just glad I found you, baby

Call me after dark  
Call me  
Call me after dark

I don't want someone telling me  
No-oh-oh, you're out of time  
I don't mind being debated  
As long as you're with me tonight

I'm not gonna give up easy  
We were made to cross the line  
I don't want the things that we do  
I don't want to let them die

Call me after dark  
Call me  
Call me after dark

I'm not gonna give up easy  
We were made to cross the line  
I don't want the things that we do  
I don't want to let them die

Call me after dark  
Call me  
Call me after dark

Call me after dark  
Call me  
Call me after dark

Call me after dark  
Call me  
Call me after dark
