

# Le Tigre, The The Empty

The stars are getting in and out of automobiles  
And we keep wondering when we're gonna feel something real  
Keep waiting for a Santa that will never come  
A real party not just people who're faking fun  
But everything gets erased before it's even said  
And all that glitters isn't gold when inside it's dead  
All that glitter is not gold  
All that glitter is not gold  
All that glitter is not gold  
All that glitter is not gold  
I went to your concert and I didn't feel anything  
I went to your concert and I didn't hear anything  
I went to your concert and I didn't feel anything  
I went to your concert and I didn't see anything  
(Oh Baby) Why won't you talk to me?  
(Oh Baby) You just want me empty!  
(Oh Baby) You don't say anything!  
(Oh Baby) Why won't you answer me?  
All that glitter is not gold  
All that glitter is not gold  
All that glitter is not gold  
All that glitter is not gold  
I sat through your movie but I didn't see anything.  
I went to your comedy club and didn't laugh at all.  
I went to your movie and I didn't hear anything.  
I went to your concert and there was nothing going on.  
You don't say  
You don't say  
You don't say anything.....
