## Lea Michele, Louder

Come out of the shadow Step into the light This could be the moment Are you ready to fight? Don't you know, you know You're not the only one Why so low, so low What are you waiting for All I ever hear are whispers All I ever hear are whispers

But I just wanna hear your voice Don't be afraid Why don't you scream a little louder Turn it up I know you can Come on and scream a little louder

Oh, oh-hoh, oh-hoh, Why don't you scream a little louder Oh, oh-hoh, oh-hoh, Why don't you scream a little louder

Wanna be remembered?
Stand out in the crowd
Don't choke on the fire
It's tryin' to burn you out
Why so low, so low
What are you waiting for
All I ever hear are whispers
All I ever hear are whispers

But I just wanna hear your voice Don't be afraid Why don't you scream a little louder Turn it up I know you can Come on and scream a little louder

Oh, oh-hoh, oh-hoh, Why don't you scream a little louder Oh, oh-hoh, oh-hoh, Why don't you scream a little louder

Come out of the shadow Step into the light This could be the moment It could change your life All I ever hear are whispers

But I just wanna hear your voice Don't be afraid Why don't you scream a little louder Turn it up I know you can Come on and scream a little louder

Oh, oh-hoh, oh-hoh, Why don't you scream a little louder

Turn it up I know you can Why don't you scream a little louder Oh, oh-hoh, oh-hoh, Why don't you scream a little louder
