

Lea Salonga, I DON'T LOVE YOU ANYMORE (D

(Butch Monserrat)

Lea:

I've been thinking
It seems we're going nowhere
You don't share my feelings
It doesn't seem fair
I guess there's nothing
Much more I can do
I know I've got to try
And make it without you

I don't love you anymore
Can't you see, it's just no good
I've gotta walk out that door
There's nothing left to say
I've gotta go my way
Try and understand

Ariel:

We've had bad times
But that's no reason to go
I can't live without you
I need you, don't you know
That I still love you
Don't, don't do this to me
You know I won't make it alone
Can't you see

Lea:
