Lea Salonga, Journey To The Past

Heart don't fail me now courage don't desert me don't turn back now that we're here people always say life is full of choices no one ever mentions fear or how the world can seem so vast on a journey to the past

somewhere down this road i know someone's waiting years of dreams just can't be wrong arms will open wide i'll be safe and wanted finally home where i belong well, starting now, i'm learning fast on this journey to the past

home, love, family there was once a time i must have had them too home, love, family i will never be complete until i find you

one step at a time one hope then another who knows where this road may go? back to who i was on to find my future things my heart still needs to know

yes, let this be a sign let this road be mine let it lead me to my past and bring me home... at last
