

# Lea Salonga, On My Own

And now I'm all alone again  
no where to turn no one to go to  
Without a home without a friend without a face to say hello to  
And now the night is near  
now I can make believe he's here

Sometimes I walk alone at night when everybody  
else is sleeping  
I think of him and then I'm happy with  
the company I'm keeping  
The city goes to bed  
And I can live inside my head

On my own,  
Pretending he's beside me,  
All alone, I walk with him till morning.  
Without him, I feel his arms around me,  
And when I lose my way, I close my eyes,  
And he has found me...

In the rain,  
The pavement shines like silver,  
All the lights are misty in the river,  
In the darkness the trees are full of starlight,  
And all I see is him and me,  
Forever and forever...

And I know it's only in my mind,  
That I'm talking to myself and not to him,  
And although I know that he is blind,  
Still I say, there's a way for us...

I love him,  
But when the night is over,  
He is gone, the river's just a river  
Without him the world around me changes,  
The trees are bare and everywhere the streets are full of strangers.

I love him,  
But everyday I'm learning,  
All my life,  
I've only been pretending,  
Without me,  
His world will go on turning,  
A world that's full of happiness,  
That I have never known...

I love him... I love him...  
I love him... But only on my own...
