

Lea Salonga, Reaching Out

What must I do to make you understand?
You mean everything to me
Don't have the strength to say
Give this heart of mine a chance
And maybe then you will see

I'll do anything
Do anything that you tell me
I'll be there
I'll be there if you need me

Reachin' out to you
Do you feel it too
Lovin' you is all I wanna do
I'm completely sure
I've never felt this way before
When I smile you know that there is something more

What must I do so I can make you see
The light that shines in my eyes
You brighten up my day
You even help me find my way
I wish you're always by my side

And I can't stop
Don't know how to stop
Thinkin' of you
And I'll do anything
Do anything to be near you

Reachin' out to you
Do you feel it too
Lovin' you is all I wanna do
I'm completely sure
I've never felt this way before
When I smile you know that there is something more

Reachin' out to you
Do you feel it too
Lovin' you is all I wanna do
I'm completely sure
I've never felt this way before

Deep inside you know that there is something more
Deep inside you know that there is something more...
