

Leady Lily, Patrik Pacard

Patrik - Patrik - Patrik Pacard

Patrik - Patrik - Patrik Pacard.

There is a secret it's his

follows you no matter where you are

Worth more than many a dream - Patrik Pacard.

Good men and bad by your side

somewhere out there in the dark

Gone with the morning light - Patrik Pacard.

Farewell

you're a stranger here

You're still in danger here

all on your own.

Heroes must win in the end

you are the best one by far - Patrik Pacard

Patrik - Patrik - Patrik Pacard

Patrik - Patrik - Patrik Pacard

Patrik Pacard!

Farewell

you're a stranger here

. . .
