

LEAGUE OF DISTORTION, I'm A Bitch

"What a crazy life
Spice it up, make it hot
Til you feel the high
What a crazy night
Wanna burn burn burn
I can be the fire
Babe just relax
Take a step, let me in
Gotta pay no tax
For the final act
When my blood blood blood
Boils to the max
Men shall reproduce themselves
Satisfying their desire
Procreate for humankind
Hunter-gatherer by design
But I'm a bitch, right
I'm a bitch, right
Yeah I'm a bitch, right
I'm a bitch, right
Yeah I'm a bitch, right?
Til the break o' light
Let it go, do it hard
Gonna be alright
What a tasty sight
You will bark bark bark
When I take a bite
If you disagree
Check the facts, spit it out
But don't mess with me
Read between the lines
Wanna bang bang bang
Babe you are mine
Men shall reproduce themselves
Hunter-gatherer by design
But I'm a bitch, right
I'm a bitch, right
Yeah I'm a bitch, right
I'm a bitch, right
Yeah I'm a bitch, right?
You think that I'm cruel
Are you scared of the truth
Looking left and right
You won't be rescued
You stare at the sky
To the heaven of lies
No one's left and right
To help you
Fuck you I can fuck who I want to
Fuck you I can fuck who I want to
Fuck you I can fuck who I want to
Yeah!
Fuck you I can fuck who I want to
Fuck you I can fuck who I want to
Fuck you I can fuck who I want to
But I'm a bitch, right?"
