

# Leah Dizon, Time (Clock Of The Heart)

Don't put your head on my shoulder  
Sink me in a river of tears  
This could be the best place yet  
But you must overcome your fears

In time it could have been so much more  
The time is precious I know  
In time it could have been so much more  
The time has nothing to show

Because time won't give me time  
And time makes lovers feel like they've got something real  
But you and me we know they've got nothing but time  
And time won't give me time  
Won't give me time

Don't make me feel any colder  
Time is like a clock in my heart  
Touch we touch was the heat too much  
I felt I lost you from the start

In time it could have been so much more  
The time is precious I know  
In time it could have been so much more  
The time has nothing to show

Because time won't give me time  
And time makes lovers feel like they've got something real  
But you and me we know they've got nothing but time  
And time won't give me time  
Won't give me time
