

Leah LaBelle, Sexify

i got a whole bunch of ways
to turn to him on girl
he'll come home girl
if you know what I mean
i got a whole bunch of ways
it's all in your tone girl,
he'll be gone girl
if you know what I mean

I'll sexify you
have you thinking about my name in the middle of a day
and that's guaranteed
I'll sexify you
have your friends thinking
boy, man there ain;t no way
and that's guaranteed

make him wand a night for two
which involves same ice by you
make his body shake from naughty strokes
and when you call girl
he'll come home

i got a whole bunch of ways
to turn to him on girl
he'll come home girl
if you know what I mean
i got a whole bunch of ways
it's all in your tone girl,
he'll be gone girl
if you know what I mean
