

LeAnn Rimes, Put A Little Holiday In Your Heart

(Roger Wojahn/Scott Wojahn/Greg Wojahn)

Feel the cold wind blowing-winter's coming on
'Tis the season, so they say
If you need help believing 'cause your spirit ain't too strong
Hold my hand--we'll push that cloud away

Put a little holiday in your heart
It'll put a little shuffle in your step
Give you a song that you can sing
With a melody you can't forget
And if you wanna join in a little harmony
To keep the world from tearin' apart
Well you know where to look
Yeah--you gotta put a little holiday in your heart

There's a man on the corner who doesn't have a name
People pass and turn their heads away
But to share a simple kindness would set your heart aflame
And you'll get more than you'll ever give away

Put a little holiday in your heart
It'll put a little shuffle in your step
Give you a song that you can sing
With a melody you can't forget
And if you wanna join in a little harmony
To keep the world from tearin' apart
Well you know where to look
Yeah--you gotta put a little holiday in your heart

It starts with you, it starts with me
That ain't no stranger, he's family and it don't matter if we agree
It all comes down to love

Put a little holiday in your heart
It'll put a little shuffle in your step
Give you a song that you can sing
With a melody you can't forget
And if you wanna join in a little harmony
To keep the world from tearin' apart
Well you know where to look
