

LeAnn Rimes, Upperhand

Verse 1

Honey on a teaspoon
Sugar in a bowl
And eager mans always an easy catch
Butter on the skillet
Whisky in a glass
To start a flame you gotta light a match
Ooh ooh ooh
You know what he wants
You know what he wants
Ooh ooh ooh

Chorus

Gotta get ahold
Gotta get ahold
Get ahold of your man
Better get him while
Better get him while
Better get him while you can
Good to be a lion
Good to be a lion
Instead of a lamb
Use what you got
Take the upperhand

Verse 2

Always be a lady
But tease him like a tramp
A temptation thats hard to resist
Treat him like a hero
But let him to be a slave
Take advantage of your god given gift
Ooh ooh ooh
You got what he wants
Yeah you got what he wants
Ooh ooh ooh

Coda

Generations before will testify it's true
Girl you gonna see how much he really loves you
