

Leanna, Your Life

Is this your life? Howd you get here?
Is this your life? Whats wrong here?
Because youre smiles tired, its not even 10 am

Singing Oh-a-oh-a-oh-a-oh-oh-ah-oh

(Is this your life?) Everybodys comin, goin
(Howd you get here?) Before you know it plans are broken
(Is this your life?) Friend or foe is just a name
(Whats wrong here?) And you cant help sinking
(Is this your life?) Looking back theres not much left now
(Howd you get here?) Its safe to say your time has run out
(Whats wrong here?) Things are changing everyday, but things will never be the same

Singing Oh-a-oh-a-oh-a-oh-oh-ah-oh

Ill take it like it is, but Im too weak for this!!

Singing Oh-a-oh-a-oh-a-oh-oh-ah-oh
