

Leaves, Crazy

Some days make me feel so crazy
Even though I fake it, I'm not sure I'll make it
Cause there is something lackin'
I can't make things happen
I can't make things work right
Even though I try hard

And I just keep on sinkin'
Deeper when I'm thinkin'
What I could be feelin'
I don't really care now

Cause I can tell you lately
Have you seen me baby?
Runnin' around so crazy
Losin' my head maybe
It makes me feel alright
Yeah, yeah, it makes me feel alright
Yeah, yeah, yeah

Somehow i'll get around this corner
I'll make it my own way now, i should of tried it before
Cause there is somethin' missin'
I can't make things happen
I can't make things work right
Even though I try hard

And I just keep on sinkin'
Deeper when I'm thinkin'
What I could be feelin'
I don't really care now

Cause I can tell you lately
Have you seen me baby?
Runnin' round so crazy
Losin' my head maybe
It makes me feel alright
Yeah, yeah, it makes me feel alright
Yeah, yeah, yeah

Some days make me feel so crazy
Even though I fake it, I'm not sure I'll make it
Cause there is something lackin'
I can't make things happen
I can't make things work right
Even though I try hard

Cause I can tell you lately
Have you seen me baby?
Runnin' round so crazy
Losin' my head maybe
It makes me feel alright
Lately,
Have you seen me baby?
Runnin' round so crazy
Losin' my head maybe
It makes me feel alright
Yeah, yeah, it makes me feel alright
Yeah, yeah, it makes me feel alright
Makes me feel alright
Yeah, yeah, it makes me feel alright
Yeah, Yeah, Yeah
