

Leaves, Sunday Lover

Sunday Lover
Show how you do your thing
We want each other
So show me how you do your thing

And I just keep on waiting
Just standing on the other side
Yeah I just keep on waiting, yeah
Just waiting for another day, yeah

I wanted to take a little more, yeah
I wanted to stay another day with you
I wanted to say that I was lost, yeah
So what do we do?

But Sunday Lover
I hope we can be friends again
We need each other
So show me how you make me bend

And I just keep on trying
To pull you from the other side
But you just keep on holding back, yeah

I wanted to take a little more, yeah
I wanted to stay another day with you
I wanted to say that I was lost, yeah
So what do we do?

But Sunday Lover
Yeah Sunday Lover
But Sunday Lover, yeah, yeah
Yeah, yeah

I wanted to take a little more, yeah
I wanted to stay another day, with you
I wanted to say that I was lost, yeah
So what do we do?
Oooooo...
