

# Led Zeppelin, I'm A Man

I see the writing  
On the wall  
I see you baby  
Gonna make you feel small  
Sweet darlin'  
Ooh you gotta be mine  
I'm gonna love you baby  
For about a hours time

Cause I'm a man  
Spelled m  
Spelled a  
Spelled n  
Yes I'm a man  
I'm a man  
Oooh

I was motivated

Back in town  
I saw a cadillac sign sayin'  
No money down  
So I eased my breaks  
And I pulled in my ford  
I've gotta have that car  
I go ridin' down the road

Mmm let me say it again  
Ahh yeah let me tell you again

When I was a little boy  
A-not but five years old  
A-my mother told me son  
A-you got a lotta lovin' in the fold  
'cause you gonna be a man  
A-you're gonna be a man  
A-you're gonna be a man, a you're gonna be be be a man
