

Led Zeppelin, I'm Moving On

I told my baby once upon a time
You will be yours mama
I will be mine
Well that's alright
Ooh well I mean that's alright
Every now and then I wonder
Who's (?)

I told you baby long time ago
I need you mama
Well don't be slow
Well that's alright
Don't love me no more that's alright
Every now and then I wonder
Who's (?)

Well that big big wheel rollin' down the track
Need a true lovin' daddy

Ain't drive you mad

I'm movin' on
Yeah I'm movin' on
(?)
I'm movin' on oh

Warned you baby from time to time
You just don't listen
(?)

I'm movin' on
I keep movin' on
I'm through with you too bad you're blue
Well I'm movin' on

Hey!
