Lee Greenwood, God Bless America

While the storm clouds gather Far across the sea Let us swear allegiance To a land that's free Let us all be great full For a land so fair Let us raise our voices In a solemn prayer

God bless America, Land that I love. Stand beside her, and guide her, Through the night with the light from above.

From the mountains, to the prairies, to the oceans, white with foam, God bless America, My home sweet home.
God bless America, My home sweet home.

From the mountains, to the prairies, to the oceans, white with foam, God bless America, My home sweet home.

God bless America, My home sweet home.
