

Lee Greenwood, This Land Is Your Land

(chorus)
this land
this land

this land is your land
this land is my land
from california to the new york island
from the red wood forest to the gulf stream water
this land was made for you and me

as i was walking to the ribbon of high way
i saw above me that endless skyway
i saw below me a voice was chanting
this land was made for you and me

(chorus)
this land is your land
this land is my land
from california to the new york island
from the red wood forest to the gulf stream water
this land was made for you and me

(chorus)
this land this land!!!!
