

# Lee Greenwood, You Can't Fall In Love When You're Cryin'

She gently brushed my arm as she walked by me  
And she turned and said "I'm sorry" with a smile  
She was everything I ever dreamed of meeting  
But I quickly closed my eyes & walked the other way, 'cause...

(chorus)

You can't fall in love when you're cryin'  
Please don't try to look into my eyes  
If I said I loved you I'd be lyin'  
'Cause the memory of yesterday is still in my mind

She caught me just before I reached the corner  
And she asked me most politely for my name  
She was more than just a girl, she was an angel  
And I wanted so to lie, but I told her just the same You see

(repeat chorus)

She winked and said I know just how you're feelin'  
And I know there's nothing I can say  
That can change the way you feel, so here's my number  
You can call me on the phone when the feeling goes away  
'Cause I know...

(repeat chorus)
