

Lee Hyori, Prologue (Drum & Bass)

When I'm lookin' at the TV here comes the queen bee
brothers say she's lovely girls goin envy
cuz you're sexy cute as you can be
lovin' you is easy cuz you're beauty as i wanna see
you on the stage you'll be the lady of rage
you make the guy like me goin crazed movin' shinin' like the moonstone
my heart's gettin' stoned she was brighter than the flyin' unicorn
