

# Lee Michaels, Do You Know What I Mean?

Been forty days since I don't know when  
I just saw her with my best friend  
Do you know what I mean?  
Do you know, know what I mean?

I just saw her yesterday  
I just saw her, asked her to stay  
Do you know what I mean?  
Lord, Do you know what I mean?

Her and Bobby were steppin out  
Her and Bobby didn't know I found out  
Do you know what I mean?  
Do you know, know what I mean?

So I asked her if she still cared  
She didn't hear me, she just stared  
Do you know what I mean?  
Lord, Do you know what I mean?

And then she said  
Lee you haven't loved me in nearly four years  
You haven't noticed that I held back my tears  
And now you have, but it's really too late  
Better find yourself another girl  
Better find another girl  
Better find uh, another place

She just left me yesterday  
She just left me, had nothing to say  
Do you know what I mean?  
Oh, do you know what I mean?

She's a dandy, yes indeed  
She's a dandy, but now she's free  
Do you know what I mean?  
Lord, do you know what I mean?

Been forty days since I don't know when  
I just saw her with my best friend  
Do you know what I mean?  
Lord, do you know what I mean?

I just saw her yesterday  
I just saw her, learn how to stay  
Do you know what I mean?  
Lord, Do you know what I mean?

Yeah, here comes it now..

Hoooo, help.. me
