## Lee Michaels, Do You Know What I Mean?

Been forty days since I don't know when I just saw her with my best friend Do you know what I mean? Do you know, know what I mean?

I just saw her yesterday I just saw her, asked her to stay Do you know what I mean? Lord, Do you know what I mean?

Her and Bobby were steppin out Her and Bobby didn't know I found out Do you know what I mean? Do you know, know what I mean?

So I asked her if she still cared She didn't hear me, she just stared Do you know what I mean? Lord, Do you know what I mean?

And then she said
Lee you haven't loved me in nearly four years
You haven't noticed that I held back my tears
And now you have, but it's really too late
Better find yourself another girl
Better find another girl
Better find uh, another place

She just left me yesterday She just left me, had nothing to say Do you know what I mean? Oh, do you know what I mean?

She's a dandy, yes indeed She's a dandy, but now she's free Do you know what I mean? Lord, do you know what I mean?

Been forty days since I don't know when I just saw her with my best friend Do you know what I mean? Lord, do you know what I mean?

I just saw her yesterday I just saw her, learn how to stay Do you know what I mean? Lord, Do you know what I mean?

Yeah, here comes it now...

Hoooo, help.. me
