

# Lee Roy Parnell, Back In My Arms Again

People always say the hindsight&#039;s 20-20  
When it comes to mistakes in love girl I got plenty  
But the one that sticks at the most of my mind  
Is the night I left you standing on front porch cryin&#039;  
Living for the day I can make it all up to you

Till you&#039;re back in my arms back in my arms again  
Till you&#039;re back in my arms I will be whole lonesome till then  
Honey I wont eat I won&#039;t even sleep  
I&#039;ll be walking these souls of both of my feet  
Till you&#039;re back in my arms back in my arms again

Well I&#039;m gettin&#039; to know this old town like never before  
Walking every street knocking on every door  
Girl where ever you are I want you back  
I love you baby I&#039;m sure about that  
Whatever it takes theres nothing that I wont do

Till you&#039;re back in my arms back in my arms again...

[ guitar ]  
I must have been a fool I confess  
To ever let you go but I ain&#039;t gonna rest

Till you&#039;re back in my arms back in my arms again...  
Honey I wont eat I won&#039;t even sleep...
