Lee Roy Parnell, Fifty-fifty Love

I know you've been cheated and I know you've been burned So many times you've given your heart and got nothing in return It may seem like a gamble oh but take another chance tonight Honey stay with me and you're gonna see that love can work out right

Fifty-fifty baby oh the way love's supposed to be You know you're gonna get back every little good thing You've been giving to me As long as we're got each other always gonna have enough And keep a holding on to a hundred percent of this fifty-fifty love

Now don't you worry baby sause all in love is fair And if we keep on giving it all we can we're both gonna get our share It won't always be easy yeah but we'll take it day by day And if we ever start to fall apart we'll meet each other halfway

Fifty-fifty baby oh the way love's supposed to be...

[sax]

Fifty-fifty baby oh the way love's supposed to be... And keep a holding on to a hundred percent of this fifty-fifty love

Yeah fifty-fifty baby fifty-fifty love Yeah fifty-fifty baby yeah fifty-fifty love
