

Lee Roy Parnell, What Kind Of Fool Do You Think I Am

Here you come knocking on my door when you said you don't need me anymore
Do you really think I'm crazy enough to go throwing my good heart after bad love

What kind of fool do you think I am I ain't falling for you over again
I ain't playing a game that I know I can't win what kind of fool do you think I

[guitar]

I was lost in your love and I got burned you hurt me one time I finally learned
Now that I know what your loving can do who do you think you're talking to

What kind of fool do you think I am...

[guitar]

Falling in love with you just brought me sorrow
You'll leave me smiling tonight but crying tomorrow

Don't you come knocking on my door cause you know I don't need you any
Now do you really think I'm crazy enough to go throwing my good heart after bad love

What kind of fool do you think I am...

What kind of fool do you think I am...
