

Lee Ryan, Close To You

Save me from myself
I wanna love somebody else
Someone like you
Makes me smile the whole night through

Im Hungry for some answers
Im Hunting for the truth
You are what im looking for
Please show me the way
Please show me the way
I'll do anything to be close to you
And I'll be anyone that you want

If you let me know
Where you run to
Where you go
All around the world
I will follow

Coz im looking for the real thing
Im haunted by the truth
You can do anything you want
I wanna be
I wanna be with you

I'll do anything to be close to you
And I'll be anyone that you want

Save me from myself i want you
One more time i got to show you how i feel

[Chorus repeat]
