

# Left Alone, Done Wrong

And I know I've done wrong  
And I'm sorry about it baby

Every day she curses my name  
My glass is full of sorrow and pain  
I'm a reject of love  
I should be crucified and shot  
For the things that I don't got  
I'm a reject of her love

And I know I've done wrong  
And I'm sorry about it baby

Every day flooded with tears  
My end of days seem so near  
I'm a reject of love  
I should be crucified and shot  
For the love that I don't got  
I'm a reject of her love
