

# Lefty Frizzel, I

I don't want to talk it over one more time  
No there's not much use in talkin'. If you've made up your mind  
And darlin' I don't need to tell you why  
You know that I'm not that good at goodbye  
Please don't tell me you're leavin' if you go  
Just let me turn my head while you walk out the door  
'Cause if I see you leavin' I will die  
You know that I'm not that good at goodbye  
Lord goodbyes just make it harder anyhow  
So if you really feel like leavin' do it now  
And let me keep a little of my pride  
You know that I'm not that good at goodbye  
I don't want to know you're leavin' when you go  
'Cause if we reach the part where you're standin' at the door  
Well I know I'd just break down again and cry  
You know that I'm not that good at goodbye
