

# Lefty Frizzel, My Lovin' Gal Lucille (Blue Yodel No. 2)

If you ever had the blues you know just how I feel  
If you ever had the blues you know just how I feel  
I'm about to lose my lovin' gal Lucille  
I love you mama but I don't like your lowdown ways  
I love you mama but I don't like your lowdown ways  
You got me in trouble and now I'm served in days  
( fiddle )  
Well I ain't gonna marry I ain't gonna settle down  
Lord I ain't gonna marry I ain't gonna settle down  
I'm gonna be a rounder till the police shoots me down  
( piano )  
You can blow your whistle mama you can toot your horn  
You can blow your whistle mama you can toot your horn  
You're gonna wake up some morning and find your daddy gone
