

# Lefty Frizzel, Release Me (And Let Me Love Again)

Please release me let me go I don't love you anymore  
To live together is a sin release and let me love again  
Oh I have found a new love dear and I will always want her near  
Her lips are warm while yours are cold release me please darling let me go  
[ fiddle - steel ]  
I once loved your lovely face but now someone will take your place  
Can't you see that you can't win release me and let me love again  
Please release me let me go I don't love you anymore  
To live together is a sin release and let me love again
