

Lefty, Girls

Girls
Hit Back
When you least expect
Where you most regret it

Girls
They don't understand
Why i love my friends
More than them

::Chorus::
I don't mean to say it but somebody needs to put an end...to them
I don't mean to say it but somebody needs to put an end...to girls

Girls
Decorate the house
With flowers and cows
Pictures of the family

Girls
Think there misunderstood
But I know god damn well
All the things they do they do annoy me

::Chorus::
I don't mean to say it but somebody needs to put an end...to them
I don't mean to say it but somebody needs to put an end...to girls

To Girls!(X3)
An end (to girlsX3)
They'll never understand(X2)

::Chorus::(X4)
