

# Legenda, Jackalian Cry

The eternal flow of the tear  
The flood of the jackalian cry  
Millions of voices are calling my name  
Me. The King. The I

As I stand here in the head of the river  
Millions are flowing past my eyes  
Their voices are calling my name  
They're awaiting me

Jackalian cry

The era of the jackalian cry  
The everlasting flood of the damned  
My millions of voices are calling  
Them, The Damned
