

Legends Of Rodeo, Bartender

Everybody's talkin' 'bout this little girl that works downtown / I don't even know her name / she bartends
Uptown boys say that she's a knockout / and the downtown boys stay till they get kicked out / If I knew
When she works that place is packed that place is packed / all the dudes keep crawling back / they
Everybody's talkin' 'bout this little girl that works downtown / I don't even know her name / blond hair
Well all the dudes write love lines to her up on the bathroom walls / and some guys swear they got
If I knew her favorite song I'd play it on the jukebox all night long
