

Legends Of Rodeo, Devil Started Rock And Roll

In ninth grade I got my first guitar / in tenth grade I bought my first car and drove around / and played

On Friday nights we'd drive down to the lake / in this Buick LeSabre that didn't have brakes / we drove

Now if you know anything about small towns / then you know its not hard to track a Buick down / with

Then he said, "Now everybody knows that the devil started rock and roll" / so get down
