

Legends Of Rodeo, Long Road

If you had money I could borrow / I think I would leave the eastern coast / I think I would take a long

And it's a long road I'm going down / and it's a long, long time that I'll be gone to make everything o

Now I'm in Houston, next is Tucson / I'm feeling better by the day / my loads getting lighter cause I'

And it's a long road I'm going down / and it's a long, long time that I'll be gone to make everything o

Well its long, long road I'm goin down / I gotta long, long way to go so?

Pop in the key / turn the ignition / gonna find a cure / for this lonely condition / put it in drive / turn o

Roll the windows down / wave goodbye / to that tired old town / where all dreams die / throw those

Turn the radio / turn the radio on / turn the radio / turn the radio on / it's a long, long road / a long, lo
