

Leiahdorus, When It's Dark I'm Five Again

When it's dark I'm five again
I cannot wait to see you again
To see you from behind the scenes
Makeup gone beneath the sheets
My most precious little bee
Ivory skin... so sugar sweet

It's getting dark in here
With you my closest friend
It's getting dark again
I'll stay with you until dawn sets in

Curled up in a soft cocoon
Flowers laced with your perfume
To see you in the warm moonlight
Blankets wrapping us so tight
How I've missed this lovely sight
As I lay here with you tonight

Cannot wait to see you soon
Snowflakes fall and flowers bloom
Elastic words tend to blind my eyes
Shadow creatures in disguise
The things you say
Saving kisses for another day
All we have to do left in the dark
Is laugh the night away
Away...
