

Leigh-Anne, Don't Say Love

Do say, do say, do say, do say

Do say myself, you're gone
If I, if I do say so myself, you're gone
You don't wanna talk about the way we are
I cannot pretend like this is perfect, no
This is perfect

Tell me something's wrong
I feel like I just can't be myself
Can you be strong?
I don't wanna be with someone else
Something wrong
If we're gonna be, I need your help
If you're down, I'm down for life, just

Don't say love if that's not what you're chasing
Empty lies, empty words, entertainment
Don't say love just because you can say it
I need, I need, I need, I just need something that's real
Don't say love if that's not what you're chasing
Truth might hurt, but I know I can take it
Don't say love if that's not what you're chasing
I need, I need, I need, I just need something that
I just need something that
I just need something that's real

Don't take it personal
If I, if I do say so, it's personal
I ain't gon' protect your feelings anymore
I cannot pretend like this is perfect
This is perfect

Tell me something's wrong (something wrong)
I feel like I just can't be myself (self)
Can you be strong? (strong)
I don't wanna be with someone else
Something wrong (something wrong)
If we're gonna be, I need your help

I need, I need, I need, I just need something that's real

Give me somethin' I can hold onto, boy
Give me somethin' I can hold forever, for life
If it's not you, gotta watch me leave, boy
I need, I need, I need, I just need something that
I just need something that
I just need something that's real

(Ooh, oh)
I just need something that's real (oh)
I need, I need, I need
I just need something that's real

Don't say love if that's not what you're chasing
Empty lies, empty words, entertainment (entertainment)
Don't say love just because you can say it (oh)
I need, I need, I need, I just need something that's real (real)
Don't say love if that's not what you're chasing (ooh)
