

# Leila Jane, Wild (Irlandia - piosenka na EUROWIZJA 2023)

No  
I can't stay long  
While you're sleeping next to me  
I'm talking to the moon alone  
No  
I can't I swear  
While you try to keep me safe in a bell jar  
I run out of air

I'm not afraid of the dark  
I'm not afraid of the cold  
I wanna breathe in winter  
Til my lungs fill with snow  
Oh, that's all I know

I only survive in the wild  
Alone out here for miles  
I've lasted this long on my own  
On my own  
I only survive in the wild  
Alone out here for a while  
I needed to be on my own  
On my own

No  
It's not your fault  
And I'm sorry it took all these bruises  
To let me go

I'm not afraid of the dark  
I'm not afraid of the cold  
I wanna breathe in winter  
Til my lungs fill with snow  
Oh, that's all I know

I only survive in the wild  
Alone out here for miles  
I've lasted this long on my own  
On my own  
I only survive in the wild  
Alone out here for a while  
I needed to be on my own  
On my own

Oh ohh...

I'm not afraid of the dark  
I'm not afraid of the cold  
I wanna breathe in winter  
Til my lungs fill with snow

I only survive in the wild  
Alone out here for miles  
I've lasted this long on my own  
On my own
