When you try to do your thing  
People wan't to clip your wing  
Piraya, return it to 'em  
Refuse to be a puppet on a string  
Some of them try to crusify me  
The deaf, the dumb the blind  
Some of them try to crusify me  
Don't know what's coming out of their mind

When me weap, they say that me strong  
When me right, they say that me wrong  
Some say this  
Some say that  
When you check it out  
Them-a eat jacks  
Some of them try to crusify me  
The deaf, the dumb the blind  
Some of them try to crusify me  
Don't know what's coming out of their mind
